

THE STANDARD ELECTRIC
ADVANTAGE

YOUR PARTNER IN SUCCESS

Standard Electric Supply Co. is a full line electrical distributor, emphasizing industrial automation and control products with a focus on the OEM and MRO marketplace. Established in 1919, we are a fourth generation, family-owned company committed to supplying our customers with the very best products and solutions. As a family-owned business, we have the ability to tailor specific solutions and adapt quickly to customer needs. This is our advantage over other suppliers. After more than 100 years in business, we know what it takes to make a partnership succeed.

- Competitive Pricing
- Technical Support
- Unique Customized Solutions
- Logistical Services

CONTINUOUS IMPROVEMENT

ENSURING THE HIGHEST QUALITY SERVICE

Standard Electric stays true to our strong tradition of innovation and service. Our primary focus is to understand your changing needs and effectively exceed your expectations. We have processes in place to ensure we are doing our best to serve you.

ISO CERTIFICATION

Our ISO 9001:2015 certification allows us to organize processes, improve process efficiencies, and continually improve in all areas of our business to better service our customers.

CUSTOMER SATISFACTION

Customer Satisfaction is #1! At Standard Electric we value your opinion so much that we have created a customer portal to solicit your feedback.
