# Industrial Business Solutions

*The integration of supply,  
service, and support*

Vision Control & Automation provides automation and control products from over 100 high-end manufacturers. Coupling these products with our Technical Engineering Services, we provide the expertise and exact solutions you need to remain competitive and the leader of your industry.

The future can be yours today with Vision Control & Automation!

## Expertise

- ◆ PLCs & Remote IO
- ◆ Motor Control
- ◆ Safety Products
- ◆ Power Distribution
- ◆ Wire Management
- ◆ Programming Guidance
- ◆ Software Configuration
- ◆ HMIs & Industrial Computers
- ◆ Sensing Technology
- ◆ Industry 4.0/IIoT
- ◆ Enclosures
- ◆ Trouble Shooting & Diagnosis
- ◆ Product Selection Guidance

## Services

- ◆ 24/7 Support
- ◆ Inventory Management
- ◆ Enclosure Modifications
- ◆ Onsite Trade Shows
- ◆ Training & Seminars
- ◆ Repair Services
- ◆ National Customer Solutions
